

**Our dealers say
that it simply
works!**

Customer Success Story:
*One of the first adopters of
this program sold a new
Miele vacuum after only
two days with his new
website. The consumer did
a "search" on the Internet
for vacuum dealers in her
city, and found the dealer's
website, called to learn
more about the specific
Miele vacuum, and then
came in to buy!*

It can happen for you !

Miele

Quick and Easy

MC Solutions is ready to get your website up and running quickly. You can call us at any time to ask any questions, or ask for advice on what might be the best text or pictures for your website. Take advantage of this website promotion and explore additional marketing strategies.

This program may be a requirement for your dealer contract with Miele. But more importantly, you should consider this an opportunity to create *new* and *greater* sales opportunities for your business. Having an Internet presence helps create a complete and modern business image to both your current and future customers.

Your competition is probably already doing this, and if not, will be soon.

Don't delay!

Program**

Low-cost, professional
websites that put
your business on the
Internet **now!**

- Reach thousands of potential customers, 24 hours a day
- List your products and services
- Become a Miele Authorized Internet Dealer

Miele approved!

Miele is offering its Floor Care dealers a complete website solution, available through its affiliation with *MC Solutions*, a technology services company.

You get a turnkey website, featuring the Miele vacuums product line. Your website will present your business with all your company's personalized information – your products, your services, your logo, your locations.

This website solution includes everything you need for one year of website presence, all for less than the price of a Yellow Pages advertisement.

This website program has been pre-approved by Miele, and is in complete compliance with Miele's Internet Dealer program.

The website will include a page displaying the Miele products and MAP pricing for those products you offer.

Three distinctive web styles to choose from:

Imprint

Bluescale

Cleanline

One Price: Full Service

You pay one price and receive web design, domain registration and hosting for a full year.

To get started, just contact us by telephone, letter, or email and our design consultants will help you through the process.

Your website can be online within a week after you provide us with all the necessary details about your business.
